

*The
Suspects*

Belle Howard

Belle is very friendly, but can be a bit of a ditz. When everyone else is laughing, Belle always seems to miss the joke. Belle works as a professional shopper to the stars and her services are in high demand from some of today's hottest celebrities. Because of this, she can always be found at A-List events around the world. Belle's brother, Chase, is also in attendance tonight.

Emmeline Magdalene

Emmeline is a library scientist who has dedicated her life to keeping the Venice Marciana Library stocked and catalogued in an orderly fashion. She has joined the ranks of "socialite" because of her association with many of the city's elite, and she calls everyone from actors to politicians her friends.

Ravenna Berkley

Ravenna is a talented photographer, and travels the world taking some of the most stunning photographs the world has seen. Her use of light is renowned, but it is her personality that has made her a must-have at the most exclusive social events.

Tiffany Cordtlant

Tiffany is a "princess" who demands to have everything just so. At least, that's how she acts in her social life. After meeting her, most people are shocked to learn that by day Tiffany is a crime scene investigator who is just as willing as her co-workers to get down and dirty – she just does it in Gucci.

Vanessa Buchanan

Vanessa is a local celebrity, being the morning show host for YECH FM, the #1 rated radio station in the city. She is great with people and provides listeners hard-hitting interviews with some of the city's most prominent people.

Brigit Coral

Deep and intense, Brigit is an artist and takes her work very seriously. She has had two major shows in the past two years, one in New York and one in Paris. Brigit is also a philanthropist, and donates much of her wealth to charity.

Samia Vanderburgh

Samia is new to the city and is not very forthcoming about herself or her past, which has made her a bit of a mystery to everyone. Despite this, she is always at the hottest society parties, and is great at asking others questions without answering any herself.

Danitza Grant

Danitza spends her days rubbing shoulders with celebrities. As a freelance script consultant, she is the one movie executives consult to create a box office smash. She is classy and charming, and loves traveling the world for her work.

Fiona Harriman

Fiona is a great author, and her books have made the best-seller list in 32 countries. Her series, called "The Grey Town Road", is celebrated the world over, and in parts Europe her lead character's birthday has been declared a national holiday.

Eli Perez

Personal fitness trainer to celebrities and stars alike, Eli is one of the most sought after people in his profession. Eli is very active, full of energy and incredibly personable, and whenever possible will begin a conversation with a joke.

Rai Tyler

A biomedical scientist, Rai spends his days exploring possible cures for some of the worst human illnesses. He and his team have already cured three types of cancer with the DNA of rare rain forest plants. Despite his serious day job, Rai is anything but serious – he is known for his sharp sarcasm and dry wit.

Carl Wellington

Meeting Carl can be like meeting a brick wall at high speed. A politician, Carl never misses an opportunity to express his views in a colorful manner and loves a good debate – as long as he is doing the talking! His views are controversial, which keeps him on the front page of the newspapers almost every day.

Chase Howard

Brother of Belle Howard, Chase is the opposite of his sister. He is sharp, driven and motivated, features that serve him well in his day job as a hard-hitting journalist at the city's top newspaper.
